EVENT RECAP

# the longest day

Did you know? Every 65 seconds, someone in the U.S. develops Alzheimer's Disease? It is the 6th leading cause of death in the U.S.

Every year Senior Lifestyle Communities raise money for the Alzheimer's Association's "The Longest Day" fundraiser. The day promotes celebrating the lives of our loved ones who suffer from Alzheimer's. Andara hosted a carnival this year with challenging games, prizes, baskets and delicious carnival food, such as funnel cakes and caramel apples! Thank you to all of our residents, vendors, family members and staff for your contributions to the Alzheimer's Association!

IT'S OUR PLEASURE TO SERVE YOU ...

KRISTEN'S ARTICLE

Ahh, the "staycation," the opportunity to enjoy your local spaces and places to breath as you recharge; it's the chance to appreciate what has always been all around. This month at Andara, we're putting a unique spin on this concept in a variety of ways. First, our residents will enjoy destinations near and far, all while staying right here at home. I can't wait to see the staycation photos! Second, while these travels occur, we will introduce "Assisted Living Well" by enhancing what already exists in Assisted Living and offering all meals (instead of just dinner) and an activity program with specific needs and interests in mind. We look forward to these great changes!

THIS MONTH'S *heart hero*

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

Congratulations to our August HEART Hero, ZACK BAYLOR! Zack has been a server at Andara since 2013! Zach was chosen for his punctuality, dedication and calm demeanor. Each day when coming to work, Zack ties his shoes, eats his trail mix, and starts his shift with a smile. He enjoys basketball, watching Formula 1 and loves to eat his mom's macaroni salad. Zack has one semester left at ASU and looks forward to working in biochemistry research.
