EVENT RECAP

new programs

JVC PLAYMATES, FRIENDSHIP CIRCLE AND NEW NEIGHBORS AND FAMILY!

Playdate Together is a multi-generational interactive program out of Jewish Volunteer Connection (JVC) that includes singalongs, books, and more at a senior facility. Playdate Together is geared toward families with young children (3 months-preschool age) to engage them in service through visiting seniors, while enhancing seniors' quality of life. JVC has Playdate Together Volunteer Teams in various senior facilities and we're excited to expand to the Atrium Village.

Our residents really enjoyed the children and we look forward to having them join us on occasional Sundays throughout the year. The cool thing is that one of the Coordinators from JVC happens to be Atrium residents Marty and Delores Zuckerman's granddaughter-in-law, Teresa, and her beautiful kids! Atrium had three generations of one family and several other families for a wonderful fun morning!

We also had Friendship Circle join us with Chana and Eli Solomon, who has joined with Atrium for a volunteer to volunteer program. Children and their volunteers spend an hour each week playing games, creating arts 'n crafts, reading books or doing just about anything fun! Having his or her friends over to play — an activity taken for granted by most children — instills immense feelings of belonging and self-value in a child with special needs.

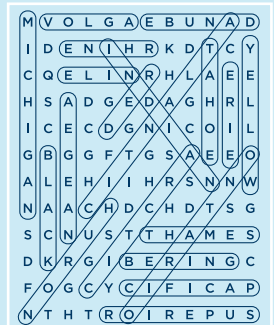

THIS MONTH'S *heart hero*

HOSPITALITY, EXCELLENCE,
APPRECIATION,
RESPECT, TEAMWORK

KASI COPELAND is a very caring person and strives to work with the residents to make their experience the best that it can be. Kasi fills in as a food runner to get the meals out to the residents quickly and efficiently. She is excellent in guiding the new residents to their tables in the Dining Room. The residents love Kasi because she greets them with a smile, pulls their chairs out, and tries to accommodate their every need. Kasi is in college at Baltimore Community College studying to pursue her degree in criminal justice.
