EVENT RECAP

the longest day 2017

The Longest Day is when we all come together as a family to raise funds to help people who suffer from Alzheimer's disease. All the staff put together an eventful day filled with several different activities going on throughout the building. One of the best selling was the bake sale with Rhonda, our Director of Nursing, and Thalia, our Director of Marketing. Also, In-Home Ajay and her staff put

together a chair volleyball game; our residents look forward to their events each month. Wendy of Genesis and her staff worked hard to make the car wash successful. Thanks to all staff and residents for making donations for a great cause. We can't wait to see what next year brings!
