WE’RE LOOKING FORWARD TO

august recap

The Autumn Green Olympic Games were a hit. We enjoyed being able to compete against one another in different games and especially enjoyed the water balloon toss contest on the patio at the end to help us cool off in the heat! Residents got to show off their gold, silver and bronze medals they won throughout the day!

We also enjoyed going on outings again. We went to the “National Night Out” at West Lawn Park, where we were able to enjoy delicious food in the community park! We enjoyed going to 88 Marketplace, an Asian Market with a delicious food court. We also got to spend one of the last summer months with gorgeous weather walking along Lake Katherine and eating ice cream at one of the best ice cream places — Plush Horse. We also were able to welcome entertainment back in the building for the second month in a row and enjoyed listening to the different Frank Sinatra tunes.

We look forward to celebrating the beginning of fall!

IT’S OUR PLEASURE TO SERVE YOU ... word from your leadership team

We continue to require wearing a mask while in the common areas of our Community for everyone, regardless of their vaccination status. Our mask requirement remains in place at this time and until further notice.

The CDC has released updated guidance for vaccinated persons outside of our community. According to the updated information, the CDC has placed Cook County at substantial risk for transmission at this time, and fully vaccinated people who do become infected with the Delta variant can transmit it to others. Therefore, fully vaccinated people can further reduce their risk of becoming infected with the Delta variant and transmitting it to others by wearing a mask in public indoor settings in areas of substantial or high community transmission.
