THIS MONTH'S *silver star*

DR. RICHARD THOMAS BENNETT

Dr. Richard Thomas Bennett is an only child, born in Trenton, N.J. to George and Gladys Bennett on Jan. 7, 1930. Dick's mother, Gladys, a strong woman, influenced Dick to do well in school and go on to college. The three traits that best describe Dick are: Honesty, his belief in God and his fellow man. Dick graduated from Hamilton High School in 1947 and Lawrenceville Prep School in 1948. Dick received a scholarship and attended Yale University earning a B.S. chemistry degree in 1948. While at Yale, Dick played trumpet in the marching band. He enrolled in Rutgers University acquiring his Master's in science and PhD in physical organic chemistry in 1954. His career started as a research chemist for DuPont, moving into technical service. In 1964, Dick moved to Morristown to join Allied Chemical Corp. as a technical supervisor. He moved up through the company to become assistant to the President of Allied Chemical Corp. In 1975, Dick was transferred to Toledo, Ohio as general manager of the Thermoset Division. In 1979, he became President of Plaskon Products. In 1980, he became Chairman of the Board of Plaskon Electronic Materials. From 1981 to 1986, Dick served on several committees, the Ohio Manufacture Association, United Way, Boy Scout Council, Blue Cross of Northwest Ohio and Medical College of Ohio Board, just to name a few.

Dick met his wife, Bertha, while working at Dupont in Wilmington. They were married for 59 years and have four children and seven grandchildren. While living in Morris Plains, N.J., he was active in the Boy Scouts and Junior and Senior Warden of St. Paul's Episcopal Church. The Bennett family enjoyed summer vacations in Avon, N.J. at his family summer home. Dick loves golfing, fishing, playing bridge, and traveling. Dick and Bertha travelled to all 50 states, 38 foreign countries, and took 56 cruises. The most interesting trip for Dick was his trips to Holland. Holland had museums, beaches, windmills and a very diverse landscape. His best adult memories are marrying his wife and having his four wonderful children: Sandra, Richard, Terri and David. In 1988, Dick and Bertha retired to Naples, Fla. and Dick became a member of the Royal Poinciana Golf Club and chairman of the Audubon and Memorial Tree Committees. He was also a member of the Naples Athletic Club and its President from 2001 to 2003.

If Dick could tell himself anything at 13, it would be, "work hard in every endeavor that comes along." His advice to today's youth is, "stay in school and continue to try to better yourself." The most important innovation and the one thing Dick could not live without is TV. He remembers as a child gathering around the radio and what a big deal the TV was to his family. If he could witness any historical event it would be the birth of Christ. Dick's words of wisdom are, "Look forward to each coming day." He said at his age, who knows how many days he will get to enjoy.

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

We are excited to announce the hiring of DANA HEDGER. She will be assisting with Transportation and Activities as needed. She comes to us following many years as a nanny for a couple families in the Mason area. She is excited to join our team and see what the next chapter in her life brings. Please make her feel welcome!
