GIFTY BOATENG

Gifty was born in Ghana, a country in West Africa. She said her parents gave her the name "Gifty" because she was a gift from God. Gifty was born with a cleft lip and palate, and the doctors told her parents she would not survive. She struggled when she was born and did not eat for 3 weeks. She feels blessed that a U.S. doctor came to Ghana and performed a surgery to correct her cleft lip and palate. Shortly after the surgery, the surgeon lost his life. Gifty said she felt God sent him to help her. Gifty has eight siblings in her family. The person who influenced Gifty is her mother. She was raised by a God-fearing mother who taught her to love God and walk with him daily.

Gifty started a children's cultural dance group called the Ghana Children's Dance Ensemble. She graduated from Ghana High School and came to the U.S. in 1981. Gifty's favorite thing to do growing up was to dance and be in drama performances when she was in high school.

Gifty has been married for 29 years and she has three children. Gifty has traveled to several locations and considers London the most fascinating place she has visited. Gifty enjoys cooking and trying out new recipes. If she could only eat one meal every day it would be Chinese food or shrimp.

Her favorite adult memory is attending church and spending time with her family. Gifty's favorite song is "Gates of Jericho." Her words of wisdom are "Don't ever lie, live by the truth."

The one thing Gifty could not live without is God and her family. Gifty feels accomplishment in taking care of the elderly and children who are in need. If Gifty could do another job for one day, she would take care of orphans.

Gifty has been working at The Barrington for almost a year. She would describe The Barrington as a loving, caring and peaceful place. Her favorite part about working here at The Barrington is that we have great Managers.

Gifty defines success as accomplishing God's desire for her life. She believes her job here at The Barrington and working with elderly people and children is a calling from God. Gifty sees herself in 5 years still working at The Barrington and helping other people.
