THIS MONTH'S *silver star*

JUNE MARIE EVANS PATAKY

June was born in Newark, N.J., just before the stock market crash of 1929. She enjoys music and played piano throughout her life. In high school, June was in a 40-member harmonica orchestra. Secretarial skills she learned in high school landed her a job with Prudential Insurance, then later in life with various temporary agencies.

June married her high school sweetheart, Ernie Pataky, in 1951. With the Korean War raging, Ernie went to Officer Candidate School, where he got the call that their first daughter was born. Two more daughters followed, and finally a son. June is now the beloved grandmother of eight.

Ernie was a lifelong employee of AT&T. His job moved the family to New Jersey, New York, Pennsylvania, and Virginia, keeping June busy while raising four kids. The family enjoyed camping, annual trips to the Outer Banks, and sailing on the Chesapeake Bay.

Upon retirement, June and Ernie moved to Lake of the Woods where they built their dream home. They enjoyed traveling, visiting every continent except Antarctica (although they came close on a cruise around the tip of South America). Upon Ernie's death in 2010, June moved to Chancellors Village. She is glad she made the move and repeatedly reminds her children that she "made the right decision."

June loves flowers!

JOIN US THIS MONTH FOR

a tribute to america the beautiful!

Patriotism is the love and devotion to one's homeland, and a sense of alliance with other citizens who share the same values. With Independence Day kicking the month of July off, we will be sharing our love of America with a variety of programs.

Join us for this special month of July as we pay tribute to America The Beautiful! We will commemorate America with a Red, White, and Blue Celebration. Also learn about several major events that took place during this month.

We will reminisce by viewing short video clips of America and how its celebrated. Come and show your love and support for you country!

EVENT RECAP

a royal celebration

Besides Victoria Day and the royal wedding of Prince Harry and Meghan Markle, the highlight of the British theme was Camellia Colony Assisted Living. The residents headed across the pond and celebrated the Royal Reception at the Buckingham Palace. Assisted Living was decorated with a red carpet for Queen Elizabeth and her Guard. Background British music was played as well. The residents expressed that the decorations were beautifully displayed and they all had a great time.

IT'S OUR PLEASURE TO SERVE YOU ... *word from your executive director*

HAPPY FOURTH OF JULY!

The first thing most Americans think about when considering the month of July is Independence Day. It's a special and festive day commemorating the adoption of the Declaration of Independence on July 4, 1776, declaring independence from Great Britain. Independence Day is commonly associated with fireworks, parades, barbecues, carnivals, fairs, picnics, concerts, baseball games, family reunions, political speeches and ceremonies. It's a day we proudly wear and display our red, white and blue.

I hope everyone has been enjoying the summer concert series and the lecture series. Krista has brought in some really interesting speakers and some great entertainment. Please encourage your friends at CV to attend and feel free to invite friends in from the community.

As summer progresses, many families go on vacation while their children are out of school. I hope that means that many of you have the opportunity to see family who may live out of the area. I know I speak for the entire Chancellor's Village team in telling you we look forward to sharing the month with you and appreciate more than you know the opportunity to be part of your Chancellor's Village family!

THIS MONTH'S *heart hero*

HOSPITALITY, EXCELLENCE,
APPRECIATION, RESPECT, TEAMWORK

DESTINY KAY has worked as a Server in the Dining Room for almost 4 years. She exemplifies the HEART characteristics by always being a reliable and trustworthy employee. We can always count on her to fill in a shift and to help her team in whatever is needed. Her customer service is exceptional.

Destiny was born and raised in Fredericksburg. She graduated from James Monroe High School and is now in her third year out of five at the University of Mary Washington. She is working toward her Bachelor of Science in Psychology and her Master's in Education. She plans to teach elementary school children upon graduation. In Destiny's spare time, she likes to shop and try new things like canoeing and hiking. Destiny also has her own clothing line named "Vibe Baby." Currently, she is making customized shirts. Between working at Chancellor's Village, running her own business and going to school (working on two degrees at the same time), Destiny is a very busy woman. What Destiny likes best about working at Chancellor's Village is talking to the residents. She finds them very entertaining and enjoys their stories they share.
