EVENT RECAP

everybody dance now

Some came in western-wear, some came ready for their favorite Texas two-step and one or two came determined to challenge the theme itself by de-mothing their '50s poodle skirts. Never to be forgotten, the hardcore group walked away with the blue-ribbon prize when the band struck up the indomitable song for all seasons, "YMCA." As the band and dancers took the evening's theme right on into its grand finale, any unsure of the evening's fun already had their reviews written for them. This month of gaiety also included, for the women, feel-good activities of facials and manicures, along with outings and special guest speakers for all. All agreed it turned out to be the "dance for all seasons" that captured the most conversation and memories.

IT'S OUR PLEASURE TO SERVE YOU ...

word from your executive director

FALL IS HERE

Once more, summer has come and gone. Soon the autumn leaves of red and gold will begin to flutter to earth, replacing the spent allure of summer. Here at Greatwood, it's another beginning for us and our residents as we look forward to the beguiling season of holidays. We will celebrate Halloween as always, getting ready for Thanksgiving and being thankful, and then will come the "loveliest time of the year," so says the Christmas song. Christa has already begun to spin her plans getting ready for caroling children and sparkling Christmas trees popping up throughout our beautiful Greatwood. We're so happy to have you spend your holidays with us.

THIS MONTH'S heart hero

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

Greatwood's HEART HERO this month is our super-busy Maintenance Assistant BERNARD GOMEZ. His perpetual smiling face defies the fact he is so hard-working and dedicated to his daily schedule of residents' requests. Even on those days of myriad orders, Bernard somehow finds time to assist fellow employees with their concerns. During those times he's away from work, his satisfaction is complete when he's with his beloved family of four.
