EVENT RECAP

china lights

This past October, we made our way to the fabulous display of bright and dazzling lights at the Third Annual China Lights Celebration! The theme for the season was panda-mania. Our residents were treated to a unique and colorful collection of lights in the shape of Chinese based animals and lanterns. Despite the colder weather creeping in, our merry group pressed on and enjoyed every last moment of the illuminating exhibits. We're already counting down the days until we're privileged once again to gaze upon the shimmering spectacles at next year's China Lights gathering!

IT'S OUR PLEASURE TO SERVE YOU ... *word from your executive director*

"Teach us to delight in simple things," wrote the late Victorian poet Rudyard Kipling. Julie Andrews sings, "Snowflakes that stay on my nose and eyelashes, silver white winters that melt into springs, these are a few of my favorite things." Here are a few of OUR Harbour Village resident and staff simple delights: "Family traditions;" "candlelight at church and the manger;" "our dog Holly, she's a good companion;" "sitting by the fire;" "giving Christmas ornaments;" "making Christmas runners for others;" "decorating the Christmas tree;" "eating;" "being with those we love;" "decorating our windows;" "Christmas music;" "Christmas caroling;" "our grandchildren;" and "our great-grandchildren."

This holiday season, may you be blessed with the simplest of delights. May your holiday season be filled with memorable moments spent with family and friends. May you find joy in the smallest of packages. And may each of us be a blessing in the lives of others, after all, it takes a VILLAGE ... Harbour Village. Blessings, Debbie Barth

THIS MONTH'S *heart hero*

HOSPITALITY, EXCELLENCE,
APPRECIATION, RESPECT, TEAMWORK

DEANNA LACROIX is our HEART Hero for the month of December. She is our Housekeeping Director and has been working for Harbour Village for just shy of seven years.

She was born in Racine on Nov. 27. She has been married to her husband, Rod, for 22 years. She also has a daughter named Alissa who is 27 years old and will be getting married next year!

In her spare time, Deanna enjoys going to movies, camping, snowmobiling up north, reading and watching the Hallmark movie channel. She also loves spending time with her two cats, Midnight and Jakie.

Deanna says that out of all the things she loves about working at Harbour Village, she really loves just being with the residents and being appreciated. She said they always greet her with smiling faces which puts her in a great mood.

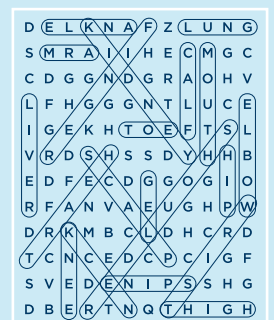

Deanna always goes above and beyond her normal work duties and genuinely cares about our residents. Thank you, Deanna, for being our HEART Hero for the month of December!
