RECAP: HOW WE STAYED CONNECTED THIS MONTH

family visits

Now that we are about three months into reopening our facility up for our two essential caregivers to visit our Oakwood Family, spirits have been eased and lifted. Due to only being able to allow two essential caregivers in, that leaves several friends and family members who are still unable to visit. Please remember, we are just a letter or phone call away, and our residents enjoy every inch of love and support they receive.

We also would like to bring your attention to the following request from Oakwood Management team in regards to the Essential Caregiver visiting hours. Please remember to make an appointment for your visit to the facility by calling 254-968-5229. Our hours for visitation remain the same,

MORNING VISITING HOURS: 10 a.m. to 12 p.m. (2 hour window)

EVENING VISITING HOURS: 3 to 5 p.m. (2 hour window)

Please assist us by adhering to these visiting hours. It is very difficult for us to entertain visitors throughout the day while doing all those duties to give the highest quality of care for our residents.

IT'S OUR PLEASURE TO SERVE YOU ...

word from your leadership team

HANG IN THERE WITH US!

Now that the residents have received both dosages of the vaccine, the full effect of its protection will begin 14 days after the second vaccination. We would like to express our gratitude to all of you for supporting the vaccination efforts for our residents. Therefore, we are still doing all the necessary screening protocols to prevent any risk of Covid-19. Please assist us in protecting the residents' health and safety when you take them out.

THIS MONTH'S heart hero

HOSPITALITY, EXCELLENCE,
APPRECIATION,
RESPECT, TEAMWORK

As we continue our efforts to keep all of our Oakwood family safe during the Covid-19 pandemic, we would like to continue to honor all of our staff as our HEART Heroes for this month. The jobs of Resident Aides and Med Techs are some of the hardest in this field. Between the long hours, patience, caring heart and the endless calls to aide and support our residents, their roles in this community do not go unrecognized. We appreciate all of you and always support y'all for all you do! Keep up the good work!
