IT'S OUR PLEASURE TO SERVE YOU ...
word from your executive director

HELLO FROM OUR NEW EXECUTIVE DIRECTOR

Dear Families and Friends,

Greetings, my name is Tammy DeNiro. I am pleased to be the new Executive Director for The Pointe at Kirby Gate. I would like to take this opportunity to introduce myself.

I have been working with Alzheimer's and dementia patients and their caregivers for over 20 years. I began my career in dementia as recreational therapist in various nursing homes in Memphis. I worked as a dementia unit coordinator in various assisted living centers, both in Memphis and Nashville. For a period of eight years, I was the Director of Programs and Education for the Alzheimer's Association where I educated the public, professionals and caregivers on many aging related issues and helped with fundraising efforts. I have a B.S. in Education from the University of Memphis and was a certified recreational therapist. I worked as the Administrator of Apple Grove Alzheimer's & Dementia Residence and South Breeze Assisted Living and Memory Care. I currently live in Cordova, Tenn., with my dog, Samson, and my two cats, Macon and Crescent.

I look forward to meeting you and serving you and your families!

—Tammy DeNiro, Executive Director

The Management of The Pointe would like to thank everyone who helped make the Beauty In Bloom event especially beautiful.

EVENT RECAP

entertainment and fun

March was a fantastic month, filled with entertainment and fun. Violinist Donna Wolf was here and, after two years, Calvin Carson returned to the Pointe for a great show that we all loved. Sadly this was Calvin's last performance in Memphis — he and his wife are moving to San Destin, Fla. Our old friend Michael Miller was here to celebrate St. Patrick's Day. However, the best part of March was our "Beauty in Bloom" family night! It was an amazing party with entertainment by Rob Haynes and lots of food and fun. This was a chance to celebrate spring and introduce our new Executive Director, Tammy DeNiro.

Happy Birthday, Arlene!

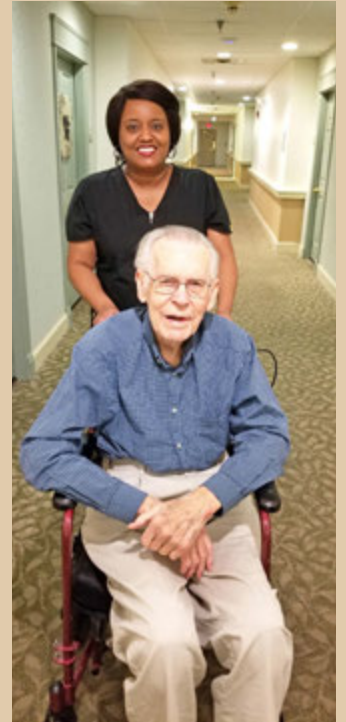

THIS MONTH'S
heart hero

HOSPITALITY,
 EXCELLENCE,
 APPRECIATION,
 RESPECT, TEAMWORK

One of the best nurses in Memphis is MARKINA (KINA) STRAYHORN. Markina is a special kind of nurse — kind, patient, compassionate, competent and nurturing. She carries with so much heart that people who know her cannot help but love her.

Kina was born in Milan, Tenn., and graduated from Milan High School. After high school, she got a job as a biller for a trucking company. Although she loved that job, she had always wanted to be a nurse to take care of the elderly. So in 2012, she went back to school and got a LPN certification. Currently, she has been trying to become a DSCCRN. She loves traveling and reading. Her favorite destination is Miami, Florida because of its warm weather and beautiful beaches.

Markina, congratulations, you are our April HEART Hero of The Month.
