Word from your executive director

We will be having monthly fall risk assessments, make sure you attend! There are five causes of falls in the Senior population. This includes:

1. Medications with side effects of dizziness
2. Eyeglasses
3. Throw rugs
4. Poor Lighting
5. Lack of exercise

Let’s improve our balance and strengthening.

Thank you.

Sincerely,
Brian D. Scheur, MPA
Executive Director

Meet your neighbor

God Bless America. More than a song, it is a blessed gift by young immigrants from small European countries who came here, established families and expanded development in our country. Gloria, our fellow resident, arrived in America in 1951. Immediate employment was a necessity, and her intelligence appealed to law firms who hired her and provided her with on the job training. She had been a legal secretary with important law firms before she retired. Gloria was married in 1958, and they were blessed with a son. We at Presidential Place are so lucky to have Gloria as our friendly acquaintance, and her warm personality is superb.

Fun Facts You Might Not Know About Mardi Gras:

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

Meet ERIKA, our newest Employee of the month. She works in the Housekeeping Department and has been working at Presidential for about five months. She was born in Chicago. Her dad was in the military, so she was raised in Germany. In 1992, she moved to Florida to live permanently. Erika has a little sister and a boyfriend of 20 years. When Erika is not working, she loves to bake. Her favorite things to bake are cheesecake, peanut butter rice krispies and brownies. We hope she brings us some in to try! She also loves to shop and watch horror movies and Jeopardy. One time, she answered 13 questions right and the final question on Jeopardy. I think we need Erika in our Trivia Classes to give the residents some competition. Thank you, Erika, for all your hardwork and dedication, we really appreciate all you do!
