The month of June will be filled with new and exciting things. Once again, some of us will be able to take a trip, go shopping and enjoy a lunch out. As the virus count goes down and the vaccine rate goes up, soon we will all be able to do those things again. In the meantime, we will sit back and just enjoy the small things in life we have missed for the last year. We will be enjoying the sounds of music in our building again, along with having our volunteers back to help us out. Let’s enjoy being together again as we enjoy little things like birthday parties and Bingo. How about celebrating our dads with “Dogs with Dad!” and popsicles on the patio. A new video series of Planet Earth helps us remember the beautiful planet we live on. Don’t forget to watch the calendar for the Managers’ activities they are doing now. You just never know where we might pop up! Smell the roses, breathe the fresh air and remember we made it through the tough time; now it’s time to enjoy life. Have a great June, everyone!
“The sky is the ultimate art gallery just above us.”
—Ralph Waldo Emerson

RECAP: HOW WE STAYED CONNECTED THIS MONTH

enjoying garden party

What were we thinking doing the garden thing in May?! I know; in April, we had days of 80 degree weather all month, then comes May. We are all excited to get out, plant the garden and enjoy the outdoors, then boom, cold, snow and rain. We didn't let that stop us. We were going to enjoy May, no matter what the weather, since we got to open the doors between us inside and enjoy each others' company again. We have enjoyed many parties, including Cinco DeMayo, birthdays and special Happy hours. We enjoyed ice cream with our mothers, and even though we had to put it off a little, we got the garden up and running. We are enjoying having our guest Bingo callers back in the community and have enjoyed all the new activities with our Management Team. Celebrating Strawberry Day with strawberry daiquiris and National Wine Day with wine, fruit and cheese was a big hit. Thanks to the Kitchen staff for all the munchie appetizers for our Happy Hours. As the weather gets warmer, let's get outside and enjoy the fruits of our labors!

IT’S OUR PLEASURE TO SERVE YOU … word from your leadership team

NEW AND IMPROVED!

June will be an exciting month for us here at Reflections. As you all know, we have opened the doors between Assisted Living and Independent Living, and all activities are being held together. Yay! That was such a great day. We are also now scheduling Entertainers to come and perform, and we will start doing outings. We will have the van back soon if not already so Independent residents will be going to the grocery stores and we can now transport to Doctors' appointments. Joyce, our exercise volunteer, will be starting again on June 2, and as long as the weather keeps improving, we will be doing visits outside again! If you have not taken a walk around the building, do so, and please notice the Adirondack chairs out by the pond. They were made and donated to us by Eagle Scout Troop 241 from Wagnalls Memorial. The project was initiated by Samuel Ebright, who now works in our kitchen, after his Aunt Doris (Doris Holmok) moved into Reflections. The flowers are being planted, the outside furniture is out and things are moving forward. Please stay tuned for any more updates.

THIS MONTH’S heart hero

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

This month, we will welcome our newest employee, SAMUEL EBRIGHT. Sam is a Senior at Bloom Carroll and will go to college at Ohio University Lancaster. He is currently playing the trumpet in the band at school and is an active member of Scout Troop 241 at Wagnalls Memorial. Sam enjoys rock music, Marvel movies, Lego and swimming. He enjoys vacationing in Hershey, Pa., and Pigeon Forge, Tenn. Sam has an interest in working in a Senior Community due to the fact his aunt was here and he knows the need of our Residents. We so appreciate the fact it was Sam’s idea to make the Adirondack chairs for us with the help of his Scout Troop. They are a beautiful addition to our pond setting. When you see Sam, please thank him for his hard work and also his contribution.

MANAGEMENT TEAM

Nikki Griffin, Executive Director
Laura Bobbitt, Business Office Manager
Angel Snoke, Director of Sales & Marketing
Jason Morgan, Dining Services Director
Brooke Loraditch, Health and Wellness Director
