IT'S OUR PLEASURE
TO SERVE YOU ...

word from your executive director

MAKE JOY YOUR COMPANION

The value of a smile is often underestimated. If you agree that it is quite important to smile even when you just wake up each day, it may change your outlook on your life and those around you. Consider the fact that you woke up! This is not a small thing, because so many others did not wake up today. Isn't it great that you woke up? So smile. Then look around and if someone is there, smile at them. For so many people, someone dear to them did not wake up today. Wow, it's a great day. Then go out and look at the trees and other things nature has provided us. How wonderful! A smile is a sign of joy, so let's make joy our companion and share it with others as we embrace it for ourselves. Our Remington House staff is committed to helping you find reason to smile each day.

EVENT RECAP

the fourth of july

Our Fourth of July event kept our residents quite busy beginning with the patriotic music in the morning and the annual Watermelon Seed Spitting Contest in the afternoon.

This year, our 1st Place Winner was Mr. Tom Nesbitt, 2nd Place Winner was Mr. Don Holland and 3rd Place Winner was Ms. Robin Jackson.

Our audience enjoyed the event as they cheered and munched on delicious watermelon. Next, Sylvia served us refreshing snow cones in our choice of flavors. Moving on, we had our Country Front Porch Singalong with a surprise appearance by Mrs. Mary Cone and her happy fingers. After a pause from dinner, we moved to the Theatre to watch a movie and then to the Kingston to play bingo. Wow, it was a Happy Fourth of July.

Winners of Watermelon Seed Spitting Contest: Tom 1st., Don 2nd, & Robin 3rd

Turner Lake Picnic

THIS MONTH'S heart hero

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

This month's HEART Hero is ALANNA CARR, our new Concierge. Although Alanna has been with us only a short time, she has already proven that she understands the concept of teamwork. Alanna is a native of Brooklyn, N.Y., an only child and has a beautiful three-year-old daughter. Alanna is currently studying to become a medical assistant, then go on to veterinarian school. Alanna enjoys studying classwork for school, taking her daughter to explore new things, and traveling with friends and family. As Concierge, Alanna has an opportunity to interact with the residents and help them at various times. By doing so, she has a chance to do her best and sometimes go beyond what she thought her abilities would allow. Alanna would like for everyone to know that she is a loving and caring person and will always make our residents her number one priority at all times.

Alanna believes it is important to greet everyone with a smile — it is contagious and goes a long way. It can make a difference in someone's day. Alanna believes in always going the extra mile for anyone in need. Alanna wants to make sure the residents feel loved and safe. She also looks forward to being able to spend time with them individually and learn as much as possible from them.

Thank you Alanna, for all you do.

Alanna Carr
