THIS MONTH’S *silver star*

BILL AND ELAINE PHIPPS

Bill and Elaine both went to Withrow High School in Cincinnati. They were both very active in Greek life and attended a lot of the same parties, but never dated each other.

At the age of nine, Bill started working in the neighborhood grocery store and when he turned 19 he had saved enough money for the tuition at the University of Cincinnati. During his freshman year, he was drafted and enlisted in the Air Force. He was a tail gunner on a B-36 heavy bomber and got three furloughs in four years.

Upon leaving the military, he called Elaine to see if she was still single. They made a date for that night, fell in love instantly, and Bill proposed on the second date. They were married 61 years ago on June 2, 1956. They have three perfect children — two boys and one girl.

Bill and Elaine lived in Golf Manor for four years and Blue Ash for 56 years. He was a salesman for GAF and with Elaine as his business partner, they started their own business in 1965 — Phipps Blue Print, which later became Phipps Reprographics.

“We have always had a wonderful life, very lucky in every way and feel that way living at The Seasons. Our sons now own the business and are very successful. I taught them ‘the harder you work the luckier you get.’”
