## THIS MONTH'S *silver star*

EUGENIA  
(GENIE) IRVIN

Eugenia (Genie) Irvin was born in Brooklet, Ga., near Statesboro, Ga., on June 27, 1929. She is the daughter of Lester and Mamie Alderman and is the youngest of three daughters. Her father owned the local grocery store in Brooklet, Ga., that sold everything from a two penny nail to a loaf of bread. Genie's mother was a homemaker and took care of the children and the family farm along with her husband. Growing up, Genie enjoyed roller skating, jumping rope and going to the movies with her best friend, Betty. Genie attended and graduated from Brooklet High School, now known as Southeast Bulloch High School, where she was a cheerleader for the basketball team. Genie later attended Georgia Teachers College, now known as Georgia Southern University in Statesboro, Ga. With permission from her parents, Genie moved to Atlanta in her late teens to live with her sister and went to work for Sun Life Insurance Company. Shortly thereafter, she met and started dating Langley Irvin. On their first date, they went to the world famous Varsity in downtown Atlanta. They were married on June 18, 1950. Langley and Genie were married for 57 years until Langley's passing in April 2008. Genie said her husband was an amazing man, loving husband and caring father. Genie and Langley have one son, Les, who lives in Loganville. Genie and her son decided in 2018 she should not live alone anymore, and both agreed that Southern Plantation was perfect in October 2018. She has really adjusted well to her new home at Southern Plantation, making new friends, playing bingo and enjoying all of the other activities offered. Genie says the staff is very friendly and caring of her needs. Genie is thankful she made the right decision to move into Southern Plantation.

## EVENT RECAP

# valentine's day

This past month we had a lovely Valentine's Day Party. We enjoyed music by Rick Harrison. Everyone is always so happy to hear him sing classic songs from the past. Our Dining Department prepared a delicious dessert for our residents' enjoyment. A big thank-you to all of our volunteers from The Cross Church, FBLA students from Loganville High School and nursing students from Georgia Gwinnett College for coming out and spending time with our residents.

## HAPPY 95TH BIRTHDAY to nancy williams

Nancy Williams celebrated her 95th birthday with family and friends on Feb. 1. Nancy, Happy Birthday from everyone at Southern Plantation!

IT'S OUR PLEASURE TO SERVE YOU ...

## word from your executive director

HELLO SPRING

Hello Spring Poetry

As winter's cold days and longer nights end and the last of snow and ice melt away, there is a short window of time, a month that shares itself with winter and spring, March. Although it only has 31 days, so much change happens to the earth, weather and nature. March makes her presence known with her high-pitched song of whistling winds, the wild gusty breezes, her clouds and sky become full of white like fleece set in deep blue sky, shorter days, longer nights. March sings out, waking spring! I wish you all a healthy and happy spring season!

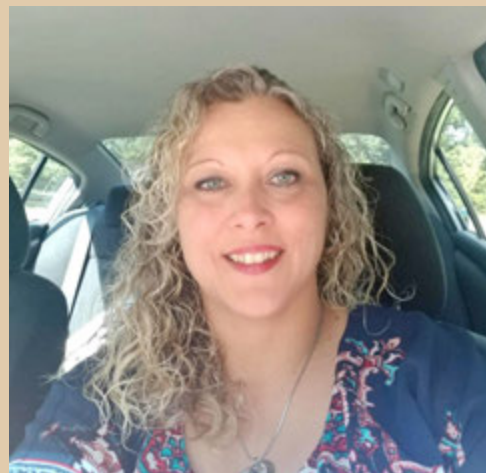

— Executive Director Drew Williams
