EVENT RECAP

# father's day happy hour

Our awesome Father's Day Happy Hour was fun and honoring our dads was special. Thanking Head Chef Carey Benzenberg for the yummiie hors d'oeuvres and champagne. The Atrium again would like to recognize all fathers and their love of family and community!

## THIS MONTH'S heart hero

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

NKUMA SOBE JR., owner of Sobe Innovative Rehabilitation, was born in Rochester, N.Y. His family is from beautiful Cameroon, West Africa.

Known by all of us as "JR," he went to the University of Buffalo and received his degree in physical therapy. One thing JR loves to do in order to keep fit is basketball. He is a true athlete!

It is not overnight that an amazing company is born, but it happened with Sobe Innovative Rehab. With a great portfolio of innovative solutions and how to give first class service to clients and their families, the connection happened through south Florida. Passionate about seeing his clients succeed, JR is in the trenches with his therapists every day. When called, he will answer his phone and will handle every detail for the families. We are honored to have him and his awesome team here at The Atrium. Thank you for your love and spirit you give to our residents and all of us!

## IT'S OUR PLEASURE TO SERVE YOU ...

### word from your executive director

SALUTATIONS FROM YOUR EXECUTIVE DIRECTOR

Yes everyone, summer is here and renovations are 95 percent over! Just a few touchups and we can start planning our Party! It hasn't been easy, but again, I would like to thank you for your patience and support.

We are also going through a transition to the new management company, Solvere Living, starting July 1 — bringing attentive nursing service, new signature programming and dining service program.

It is a new and exciting time for The Atrium, and together we will walk with great positivity and always looking ahead with strength and hope.

Remember again, you are extremely important to me and my staff. Caring, respect, comfort, safety, and happiness is all I want for you!

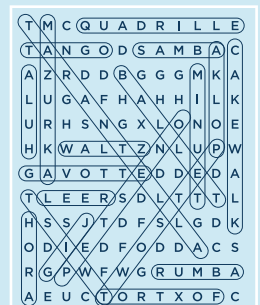

Best Regards,

*Matt Sarnelli*
