THIS MONTH'S *silver star*

DOROTHY DENZLER

Dorothy Denzler has been a resident of The Breakers for four years. She was born in Indiana and her family moved to Chicagoland when she was a baby. Growing up, Dorothy spent a lot of time with her sister, Barbara, who is also a resident at The Breakers. The two sisters played with storybook dolls and kick the can.

While Dorothy's mother stayed home to raise the girls, her father was Auditor and Secretary for the Union Station Company. He passed on his love for travel to Dorothy. He also showed her the beauty of music.

After her father took the family to a barbershop quartet concert, Dorothy became fascinated with how the groups harmonized. She later joined a ladies' barbershop group called the Sweet Adelines and sang with them for 20 years.

After she graduated from high school, Dorothy worked in her church until her neighbor who worked for NBC, helped her get a temporary job there as a secretary. After the temporary position came to an end, she was offered a full-time position as a script typist for announcers.

In her 20s, Dorothy took a leave of absence from NBC to become involved with the Young Christian Workers organization based in Belgium. She went to Europe for six weeks to learn about the organization and what they do in various countries. Through this organization, she traveled to England, France, and Italy, where she got to see the Pope.

Returning home, Dorothy went to work for WNBQ. She worked there when they became the first station to have color TV. People were so amazed by the technology that even a few celebrities, such as Nat King Cole, stopped by the station to see it. Dorothy later went back to NBC to work for the manager of promotions for TV Programs. Seven years later, the director she worked for left to work for the advertising agency of Needham, Louis, and Brorby and brought Dorothy over a year later.

Over the years, she moved up in the agency. When her boss passed away, Dorothy was asked to take over his position temporarily but received no title or pay increase. A rival company offered her a big promotion with an increase in pay and title, resulting in Dorothy's company jumping at the chance to keep her. She was elected a Vice President of the agency where she stayed for 30 years.

Throughout her career, Dorothy kept up with her love of travel. Many of her travels she went on independently as she enjoyed meeting the locals. Dorothy says she cannot pick one of her travels as her favorite, but she visited the Caribbean many times. Some of her other travels included: Alaska, China, Thailand, and Egypt.

Dorothy moved into The Breakers in 2018. A couple of friends and her were looking at senior facilities and toured The Breakers a few times. Everything she needed was under one roof and at a wonderful location. We have enjoyed having Dorothy as a member of our community for the past four years. The next time you see her, say hello!

This article was written in part by Mary Ellen Estes with her 'Meet Your Neighbors' publication.

WE'RE LOOKING
FORWARD TO

our longest day fundraiser

Tuesday, June 21, at 1 p.m.

The Longest Day is a team event to raise funds and awareness for the Alzheimer's Association. This event is held annually on the summer solstice — the duration of this sunrise-to-sunset event symbolizes the challenging journey of those living with the disease. Here at The Breakers, we will be holding our third annual Wine and Chocolate Grab. Information and a sign-up to participate will be out the beginning of June. Family and friends are also welcome!

RECAP: HOW WE STAYED CONNECTED THIS MONTH

visited the ukrainian village

In May, we took a trip to the Ukrainian Village in Chicago. Our first stop was at Shokolad Pastry & Cafe for a delicious lunch. Afterwards, the bus headed to Sts. Volodymyr and Olha Parish to visit the beautiful church while learning some of its history. Many residents opted to give donations that will be sent directly to the Ukrainian efforts that are ongoing.

IT'S OUR PLEASURE TO SERVE YOU ... *word from your leadership team*

HAPPY FATHER'S DAY

"It is a wise father that knows his own child." -William Shakespeare

"One father is more than a hundred schoolmasters." -George Herbert

"A father's smile has been known to light up a child's entire day." -Susan Gale

"The older I get, the smarter my father seems to get." -Tim Russert

"A father carries pictures where his money used to be." -Steve Martin

"The greatest mark of a father is how he treats his children when no one is looking." -Dan Pearce

"My father gave me my dreams. Thanks to him, I could see a future." -Liza Minnelli

"Dad taught me everything I know. Unfortunately, he didn't teach me everything he knows." -Al Unser

"You can tell what was the best year of your father's life because they seem to freeze that clothing style and ride it out." -Jerry Seinfeld

"By the time a man realizes that maybe his father was right, he usually has a son who thinks he's wrong." -Charles Wadsworth

"Being a great father is like shaving. No matter how good you shaved today, you have to do it again tomorrow." -Reed Markham

"Becoming a father, I think it inevitably changes your perspective of life." -Hugh Jackman

If your dad is no longer with us, there is surely another dad in your life — a husband, a son, a relative, a friend — who'd be so blessed to receive a "Happy Father's Day and thank you" note from you.

THIS MONTH'S heart hero

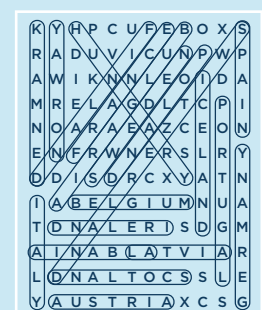

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

ROGER SANCHEZ started at The Breakers in December of 2021 as the Director of Housekeeping. He later transitioned to become Director of Maintenance in January of 2022. He has worked in senior communities such as ours since 2014. He enjoys working to keep The Breakers operating as it should, making it a comfortable home for our residents.

Outside of work, Roger and his wife enjoy hiking, camping, and traveling. He is an avid Chicago sports fan supporting the Bears, Bulls, and White Sox. Roger is one of the busiest people at The Breakers but if you catch him, make sure you thank him for all of his hard work!
