THIS MONTH'S *silver star*

EDITH ENTZ

One of our newer residents, Edith was born only 5 miles out of Hydro and “traveled so far to be with us,” she would jokingly say. There she was raised with her mother and two siblings, she was the baby of the family and says she got that special spoiled treatment all the young ones tend to get from a loving family. Taking after her mother, Edith enjoyed caretaking and raised her family of five children with her husband, Harold, who took care of the family farm. They had a loving marriage of almost 30 years before he passed. Their love has produced five children, 13 grandchildren, and 21 great-grandchildren! Edith finds most joy in her faith. Some of her proudest moments were of being Aunt Edith to all her Sunday school students. Most cherished are her memories are of Children’s Day the first Sunday of every June. She feels blessed to know she made a mark on all of her children. She enjoys music by Bill Gaither and was a part of her church choir! She enjoyed traveling with her husband; they loved their three-week trip to Europe above all. A piece of advice from Edith, “Travel more, and travel young.” She still has her heart set on California travels! She wanted Weatherwood staff to know, “I am so very comfortable, the staff is wonderful, and I would recommend this place to anyone I know!” Her warm soul and sweet words means the world to us and we are so blessed to have her here! Everyone, take the time to say hello to our new family member!

IT'S OUR PLEASURE TO SERVE YOU ... *word from your leadership team*

FORMERLY WEATHERWOOD, HELLO, HOMESTEAD OF WEATHERFORD

Dear Residents and Families of Weatherwood,

The owner has decided to sell your Community and, therefore, an affiliate of Senior Lifestyle Corporation (“Senior Lifestyle”) will no longer continue as operator. This transition is expected to be completed Sept. 1, 2021.

While we’re disappointed we won’t be able to continue our relationship with you, Senior Lifestyle and the leadership team at the Community are fully confident in the new management company and we will endeavor to make this a smooth transition.

Thank you for the trust you’ve placed in us over the years. Please look for more information about the future of Weatherwood from your new management company.

HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK

SUMMER OSBORNE, Programming Director

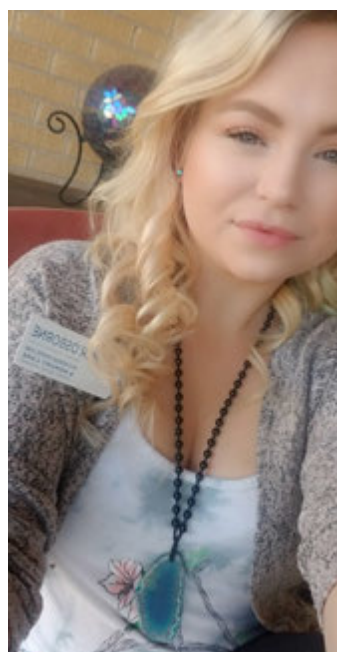

"A cloudy day is no match for a sunny disposition." — William Arthur Ward

We don't know where Summer's parents got her name from, but we assume they just knew she was going to grow up to be a walking ray of sunshine. Summer is a kind, energetic, devoted and loving person. She embodies everything we would want in our Resident Programming Director. With her inviting heart and outgoing personality, it is difficult for even the most stubborn person to resist her charm! Summer organizes activities, assists with marketing and events, provides residents with transportation and so much more. A simple thank-you would never be enough to repay her for the love she pours into our residents and staff every day.

Summer, thank you for being our sunshine, even on the cloudy days!
