REPORT RECAP

**wildflower in september**

We had a blast in September stepping out of our comfort zones and trying new things! Most of us had never tried mini golfing or sushi, and we were lucky enough to be able to try both! We did skip a few holes at Riverside Greens, but had a blast nonetheless. Some of us were a bit skeptical of trying sushi for the first time, but we were all brave and tried a few different rolls. As it turns out, we loved it and can’t wait to go back for more!

**HOSPITALITY, EXCELLENCE, APPRECIATION, RESPECT, TEAMWORK**

Congratulations, JAYDNE!

Jaydne was chosen for Excellence, Appreciation, Respect, and Teamwork by one of her fellow coworkers. Her coworker loves that when other PCAs are busy with other residents, Jaydne is always around to answer and help out with whatever is needed at the time. In between taking care of residents and other assigned job duties, you can almost always find Jaydne making sure our ladies’ nails are in tip top shape! In October, she even got creative and made some residents’ nails look like candy corn! Residents and staff love Jaydne’s willingness to jump in when help is needed, and her reliability to get the job done.

Thank you, Jaydne, for all you do for Wildflower Lodge!

Join us here at Wildflower Lodge for a genuine support network. Our support group meetings are open to everyone. We meet on the first and third Wednesdays of every month, from noon to 1 p.m. and lunch is provided.

- **NOVEMBER 15TH** — Meaningful Celebrations and Dementia

We would love to have you join our informal group as we discuss areas of concern when caring for a friend or family member diagnosed with dementia. Please call (541) 663-1200 and we will set a plate for you and a friend.
